Little jobs. Visible wins.

Your chore-card kit for two kiddos.

1 PRINT

Print card pages 1-4 double-sided: flip on the long edge. Print pocket pages 5-8 single-sided. Use white cardstock.

2 PROTECT + CUT

Laminate card sheets before cutting. Do not laminate pocket sheets before folding. Cut along the outside edges.

3 BUILD

Each child gets DO and DONE pockets. Fold every dashed line. Fold the front up; tape or glue the three tabs to the back. Keep the top open.

4 CHOOSE

At a family meeting, let each child pick a manageable number of cards. Start smaller than you think.

5 MOVE

Assigned cards go in DO. Finished jobs move to DONE. Celebrate what got done - even the little things.

6 CHANGE IT

Rotate jobs, add seasonal cards, or vote to try something new. The system gets to change with your family.

The system works for your family.

Change what is not working. You get to begin again.
